CALIFORNIA LEGISLATURE—2009–10 REGULAR SESSION

ASSEMBLY BILL

No. 2293

Introduced by Assembly Member Torres

February 18, 2010

An act relating to housing, and declaring the urgency thereof, to take effect immediately.

LEGISLATIVE COUNSEL'S DIGEST

AB 2293, as amended, Torres. Housing: construction loans.

Existing law establishes the Multifamily Housing Program, the Joe Serna, Jr. Farmworker Housing Grant Program, and the Transit-Oriented Development Implementation Program, administered by the Department of Housing and Community Development, which provide assistance for multifamily housing, farmworker housing, and development of high density uses within close proximity to transit stations, respectively.

This bill would authorize the department, until June 30, 2013, and for purposes of loan awards made pursuant to these programs, to contract with a construction lender to make permanent loan funds available and to reserve or set aside funds for a project as of the date of closing of the construction loan, as specified. The bill would authorize the department to charge a fee sufficient to cover the cost of performing duties associated with implementing these provisions.

This bill would declare that it is to take effect immediately as an urgency statute.
